Smart Girl Society supports Smart and Intentional technology planning for your family. For detailed information on age requirements on the top Social Media applications, visit www.smartgirlsociety.org/resources. This agreement is does not guarantee online safety and is provided as a courtesy of SGS. Smart Girl Society, Inc. is not legally responsible for your family's technology planning or safety.

Our family commits to uphold the values of courage, integrity, compassion, and kindness in our face-to-face encounters, as well as our online encounters. Each family member agrees that our values will be reflected in our use of all technology, to include computers, laptops, tablets, smart phones, televisions, or any other internet connected devices. By agreeing to this contract, we stand together in supporting each other positively, to be accountable for our actions, and to use technology in a positive and educational way.

We hereby agree to the following:

_____ By having the privilege of having a phone, laptop, tablet, etc., I agree to hand over my devices anytime they are asked for by my parent(s). When I am asked, I will hand it directly over, without complaint and without “first doing one thing.”

_____ I will not give personal information to ANYONE online (Name, Phone, Address, School, etc.)

_____ I will not use Location Service or Geotagging in my home town (vacationing is ok)

_____ I will not produce, send, or request photos that are nude, in underwear, or bathing suits

_____ I will NOT search or view pornographic materials, videos, pictures, etc. on my technology

_____ I will NOT search or view pornographic material, videos, pictures, etc. on a friend’s technology

_____ I will tell my parents ASAP if someone asks for, or sends, me a Pic, Nude, or Sext

_____ I will not participate in Polling (i.e. ‘hot or not,’ rate me, To be honest, etc.)

_____ I will not spread gossip

_____ I will not use ANY form of social media with the intention to humiliate, degrade, or bully

_____ I will not create or participate in trolling

_____ I will not charge or keep my laptop or phone in my room at night

_____ I will follow our Family Technology Plan as stated above

A violation of this contract will result in the following:

1st time – Technology privileges ended for _____ amount of time.

2nd time – Technology privileges ended for _____ amount of time.

3rd time – Loss of all technology for _____ amount of time.

We understand that any of us can make a mistake, we will gracefully hold each member of the family accountable to the values of our family.

Signed by all family members:
