

**Congressman Don Bacon**  
**Second Congressional District of Nebraska**

May 7, 2019

Dear Principal:

Each year, young men and women in high school are called upon to make decisions about their future. On Saturday (May 18, 2019), I will host in Omaha my All Academy Day Seminar for high school students, their parents, and school officials to emphasize the opportunities that exist at our nation's distinguished service academies. This event will take place at the Millard Public Library located at 13214 Westwood Lane in Omaha from 09:00 to 12:00 o'clock.

I would appreciate your assistance in inviting the students and guidance counselors of your school to this important event. Their participation is important. Would you please publish this information as appropriate in your school announcements? Enclosed is a poster for your guidance counselors to post on your school's bulletin boards. Feel free to photocopy the poster if you need more.

The seminar will focus on providing freshman, sophomore, and junior students with the information and advice about the academies and the nomination process. Representatives from the academies will be at the seminar to present information and answer questions. I hope that by providing this information to these non-graduating students, they will be able to better prepare themselves and begin to develop the needed skills to navigate the selection process for these military academies.

Thank you for your help. Reservations are not necessary. If you have any questions, please feel free to contact Dean Mathisen in my Omaha office at 402-938-0300 or [dean.mathisen@mail.house.gov](mailto:dean.mathisen@mail.house.gov).

Sincerely,

Don Bacon  
Member of Congress
